Business Summary

Anavi Strategies guides mission-driven organizations such as government agencies, nonprofits, and philanthropies towards thoughtful strategic planning, designing transformative initiatives and making greater social impact through data-driven and empathetic practices.

Core Competencies

- Program Design & Evaluation
- Strategic Planning & Policy Analysis
- Facilitation
- Survey Design & Data Visualization
- Qualitative Research
- Quantitative Research

Differentiators

- Investment in our people
- Equity centered practices
- Trauma-informed business model
- 20+ years public sector experience
- Tailored support and customized deliverables
- Competitive industry pricing
- Clear communication
- Decision-making aligned with core values

At Anavi Strategies, we believe that social and organizational change happens within the context of trusting, supportive, and safe relationships.

We utilize trauma-informed business practices, and model our approach for clients by embedding these practices in every aspect of our client-facing work.

Certifications and Memberships

- MWE - Eastern Minority Supplier Development Council
- WBE - Women Business Enterprise Network
- Asian American Chamber of Commerce of Greater Phila. Exton Region Chamber of Commerce

Past Performance

“Anavi Strategies exceeded our expectations! Anjali and her team’s thoughtful approach and expertise were invaluable to our recent strategic planning process. We appreciated their knowledge of trauma-informed practices, incorporation of data, and dedication to creating a comprehensive 5-year strategic plan that brought our organization’s vision to life, all while ensuring our members remained fully engaged throughout the process.” - Maritza Padua, Women Against Abuse
